

Social Studies

1. Read about the Constitution and identify the three branches of government and what each branch is responsible for. Write at least 5 sentences about each branch.

2. Continue to read and write about the Civil War. Write about:
 - What was the cause for the war?
 - How was slavery involved?
 - Who was Frederick Douglas and how was he involved in the war?
 - What states were involved in the Civil War?
 - Who was the president at the time of the war?
 - What famous speech was given by the president?
 - Name the famous generals who headed up the north and south armies.
 - What was the outcome of the war?

You can answer these questions in paragraph form or one by one. If you answer these questions one by one, you must use answer in complete sentences.
